Erv Palica made Torrance Little League history Saturday, while pitching the Giants to a 9 to 0 victory over the White Sox, striking out 18 batters and chalking up his fourth no-hitter of the season.

Scoring his seventh win of the season, Palica has allowed but four hits and has fanned 97 of a possible 126 outs.

Charles Thorne, the Giants' second pitcher, although not as brilliant as Palica, pitched his club to the 11 to 0 victory.

Thorne allowed but two hits, Denny Martin and Monte Moore being the hitters, on his way to scoring his fourth straight win. Thorne has given up but two runs in his last four games.

The Giants' batters showed no mercy for the White Sox pitchers, collecting 25 hits for the two games, Randy Newell and Chris Kisting getting home runs.

Youngsters Offered Music Program Here

An intensive music training program for students of all ages has been outlined by the Torrance Recreation department and the Torrance Area Youth band. James Van Dyck will handle weekly rehearsals at the Torrance Civic auditorium for the Cadet band, for students of junior high school age, and the Concert band, designed for students of high school and college age. The Cadet band rehearses on Thursday nights and the Concert band on Monday nights.

The Torrance Recreation department has added Jim Davidson to its special services staff to set up instrumental music classes in the Torrance parks.

Davidson, instrumental music teacher in the Torrance schools, has had over five years of experience in providing summer music activities for boys and girls.

He is setting up a program for students of the Torrance elementary schools beginning with the fourth grade, designed to be enjoyable, educational and practical.

Children who participate in this activity will give a concert in the Torrance Park Band shell on Sunday afternoon, August 11. In addition, there will be opportunities for smaller groups to perform throughout the summer at family night programs and for special events.

A schedule showing when rehearsals will be held in the various park areas is in the making and will be made public in a few days.

Insurance Refunds

Employees who contributed more than \$30 for California disability insurance coverage last year still may apply for a refund of the excess they paid in—but they have only two more weeks in which to do so. June 30 is the deadline.

Talent Sought for Local Variety Shows

The Torrance Recreation department will be presenting eight variety shows at the Torrance Bandshell, Torrance Park at 1:30 on consecutive Sundays during the summer.

The first show will be presented on Sunday, June 30. Try-outs for this program and the program to be held on the 4th of July will be held at the Civic Auditorium, 1349 El Prado ave. Times of the try-outs are Monday, June 24 and Tuesday, June 25, 14 p.m.

Children from age 4-17 inclusive are eligible. Singers, dancers, acrobats, pantomime artists, singing groups and instrumentalists are welcome.
